SCHEDULE

The timed schedule will be released on the Wednesday before the competition is due. This will be available to see on our web site and all of our social media platforms.

When the schedule is released the time given for a category is the time competitors need to be in the appropriate bullpen and NOT the fight time.

We advise all competitors to be at the venue at least 1 hour before the time stated for their category to ensure that you have enough time to get through on door registration and I.D checks inside.

Please make sure you read the important information below regarding the bullpen system we will be running

Bullpen

You will see on the schedule that each category has either bullpen A or bullpen B listed at the side, this is the bullpen the athlete needs to be in for the time stated on the schedule (NOT ON THE WARM UP MAT). No one will be allowed into the bullpen area until 15 minutes before the time given. This is to cut down the amount of competitors waiting to be called to fight and to make it easier for the mat organisers to find their competitors. The warm up area will be in a separate location away from bullpen A & B. It is the responsibility of the athlete/coach/parent to ensure that they are in the correct bullpen at the time given.

Coach Pass

You can request a coach pass by emailing admin@elitebjjevents.co.uk by the Thursday before the event.

Please note we will be issuing strictly 1 coach pass per academy. These must be requested prior to the competition as no passes will be given out on the day without being on the list. Finally please note the coach pass gives you free entry into the arena. NO coach's will be allowed mat side, all coaching will be carried out from behind the barriers.
